Information on data transfer to the USA and other non-EU countries

Among other things, we use tools of companies domiciled in the United States or other from a data protection perspective non-secure non-EU countries. If these tools are active, your personal data may potentially be transferred to these non-EU countries and may be processed there. We must point out that in these countries, a data protection level that is comparable to that in the EU cannot be guaranteed. For instance, U.S. enterprises are under a mandate to release personal data to the security agencies and you as the data subject do not have any litigation options to defend yourself in court. Hence, it cannot be ruled out that U.S. agencies (e.g., the Secret Service) may process, analyze, and permanently archive your personal data for surveillance purposes. We have no control over these processing activities.

Recipients of personal data

In the scope of our business activities, we cooperate with various external parties. In some cases, this also requires the transfer of personal data to these external parties. We only disclose personal data to external parties if this is required as part of the fulfillment of a contract, if we are legally obligated to do so (e.g., disclosure of data to tax authorities), if we have a legitimate interest in the disclosure pursuant to Art. 6 (1)(f) GDPR, or if another legal basis permits the disclosure of this data. When using processors, we only disclose personal data of our customers on the basis of a valid contract on data processing. In the case of joint processing, a joint processing agreement is concluded.

Revocation of your consent to the processing of data

A wide range of data processing transactions are possible only subject to your express consent. You can also revoke at any time any consent you have already given us. This shall be without prejudice to the lawfulness of any data collection that occurred prior to your revocation.

Right to object to the collection of data in special cases; right to object to direct advertising (Art. 21 GDPR)

IN THE EVENT THAT DATA ARE PROCESSED ON THE BASIS OF ART. 6(1)(E) OR (F) GDPR, YOU HAVE THE RIGHT TO AT ANY TIME OBJECT TO THE PROCESSING OF YOUR PERSONAL DATA BASED ON GROUNDS ARISING FROM YOUR UNIQUE SITUATION. THIS ALSO APPLIES TO ANY PROFILING BASED ON THESE PROVISIONS. TO DETERMINE THE LEGAL BASIS, ON WHICH ANY PROCESSING OF DATA IS BASED, PLEASE CONSULT THIS DATA PROTECTION DECLARATION. IF YOU LOG AN OBJECTION, WE WILL NO LONGER PROCESS YOUR AFFECTED PERSONAL DATA, UNLESS WE ARE IN A POSITION TO PRESENT COMPELLING PROTECTION WORTHY GROUNDS FOR THE PROCESSING OF YOUR DATA, THAT OUTWEIGH YOUR INTERESTS, RIGHTS AND FREEDOMS OR IF THE PURPOSE OF THE PROCESSING IS THE CLAIMING, EXERCISING OR DEFENCE OF LEGAL ENTITLEMENTS (OBJECTION PURSUANT TO ART. 21(1) GDPR).

IF YOUR PERSONAL DATA IS BEING PROCESSED IN ORDER TO ENGAGE IN DIRECT ADVERTISING, YOU HAVE THE RIGHT TO OBJECT TO THE PROCESSING OF YOUR AFFECTED PERSONAL DATA FOR THE PURPOSES OF SUCH ADVERTISING AT ANY TIME. THIS ALSO APPLIES TO PROFILING TO THE EXTENT THAT IT IS AFFILIATED WITH SUCH DIRECT ADVERTISING. IF YOU OBJECT, YOUR PERSONAL DATA WILL SUBSEQUENTLY NO LONGER BE USED FOR DIRECT ADVERTISING PURPOSES (OBJECTION PURSUANT TO ART. 21(2) GDPR).

Right to log a complaint with the competent supervisory agency

In the event of violations of the GDPR, data subjects are entitled to log a complaint with a supervisory agency, in particular in the member state where they usually maintain their domicile, place of work or at the place where the alleged violation occurred. The right to log a complaint is in effect regardless of any other administrative or court proceedings available as legal recourses.

Right to data portability

You have the right to demand that we hand over any data we automatically process on the basis of your consent or in order to fulfil a contract be handed over to you or a third party in a commonly used, machine readable format. If you should demand the direct transfer of the data to another controller, this will be done only if it is technically feasible.

Information about, rectification and eradication of data

Within the scope of the applicable statutory provisions, you have the right to at any time demand information about your archived personal data, their source and recipients as well as the purpose of the processing of your data. You may also have a right to have your data rectified or eradicated. If you have questions about this subject matter or any other questions about personal data, please do not hesitate to contact us at any time.

Right to demand processing restrictions

You have the right to demand the imposition of restrictions as far as the processing of your personal data is concerned. To do so, you may contact us at any time. The right to demand restriction of processing applies in the following cases:

- In the event that you should dispute the correctness of your data archived by us, we will usually need some time to verify this claim. During the time that this investigation is ongoing, you have the right to demand that we restrict the processing of your personal data.
- If the processing of your personal data was/is conducted in an unlawful manner, you have the option to demand the restriction of the processing of your data in lieu of demanding the eradication of this data.

- If we do not need your personal data any longer and you need it to exercise, defend or claim legal entitlements, you have the right to demand the restriction of the processing of your personal data instead of its eradication.
- If you have raised an objection pursuant to Art. 21(1) GDPR, your rights and our rights will have to be weighed against each other. As long as it has not been determined whose interests prevail, you have the right to demand a restriction of the processing of your personal data.

If you have restricted the processing of your personal data, these data – with the exception of their archiving – may be processed only subject to your consent or to claim, exercise or defend legal entitlements or to protect the rights of other natural persons or legal entities or for important public interest reasons cited by the European Union or a member state of the EU.

The operators of this website and its pages reserve the express right to take legal action in the event of the unsolicited sending of promotional information, for instance via SPAM messages.

If cookies are deactivated, the functions of this website may be limited.

Once a website visitor is registered with LinkedIn, we can analyze the key occupational data (e.g., career level, company size, country, location, industry, job title) of our website visitors to help us better target our site to the relevant audience. We can also use LinkedIn Insight tags to measure whether visitors to our websites make a purchase or perform other actions (conversion measurement). Conversion measurement can also be carried out across devices (e.g. from PC to tablet). LinkedIn Insight Tag also features a retargeting function that allows us to display targeted advertising to visitors to our website outside of the website. According to LinkedIn, no identification of the advertising addressee takes place.

LinkedIn itself also collects log files (URL, referrer URL, IP address, device and browser characteristics and time of access). The IP addresses are shortened or (if they are used to reach LinkedIn members across devices) hashed (pseudonymized). The direct identifiers of LinkedIn members are deleted by LinkedIn after seven days. The remaining pseudonymized data will then be deleted within 180 days.

The data collected by LinkedIn cannot be assigned by us as a website operator to specific individuals. LinkedIn will store the personal data collected from website visitors on its servers in the USA and use it for its own promotional activities. For details, please see LinkedIn's privacy policy at <https://www.linkedin.com/legal/privacy-policy#choices-oblig>.

6. Newsletter

Newsletter data

If you would like to receive the newsletter offered on the website, we require an e-mail address from you as well as information that allows us to verify that you are the owner of the e-mail address provided and that you agree to receive the newsletter. Further data is not collected or only on a voluntary basis. For the handling of the newsletter, we use newsletter service providers, which are described below.

Evalanche

This website uses Evalanche to send newsletters. The provider is SC-Networks GmbH, Enzianstr. 2, 83219 Starnberg, Germany. Evalanche is a service that organizes and analyzes the sending of newsletters, among other things. The data you enter for the purpose of receiving newsletters is stored on Evalanche's servers in Germany.

If you do not want Evalanche to analyze your data, you must unsubscribe from the newsletter. For this purpose, we provide a corresponding link in each newsletter message. Furthermore, you can also unsubscribe from the newsletter directly on the website.

Data analysis by Evalanche

For the purpose of analysis, the e-mails sent with Evalanche contain a so-called „tracking pixel“, which connects to Evalanche's servers when the e-mail is opened. In this way, it can be determined whether a newsletter message has been opened. Furthermore, with the help of Evalanche, we can determine whether and which links in the newsletter message are clicked. All links in the e-mail are so-called tracking links that can be used to pay for your clicks.

Legal basis

The data processing is based on your consent (Art. 6 para. 1 lit. a DSGVO). You can revoke this consent at any time. The legality of the data processing operations already carried out remains unaffected by the revocation.

Conclusion of a contract for order processing

We have concluded a contract with SC Networks in which we oblige SC Networks to protect our customers' data and not to pass it on to third parties.

CleverReach

This website uses CleverReach for the sending of newsletters. The provider is the CleverReach GmbH & Co. KG, Schafjückenweg 2, 26180 Rastede, Germany (hereinafter "CleverReach"). CleverReach is a service that can be used to organize and analyze the sending of newsletters. The data you have entered for the purpose of subscribing to our newsletter (e.g., e-mail address) are stored on servers of CleverReach in Germany or in Ireland.

Newsletters we send out via CleverReach allow us to analyze the user patterns of our newsletter recipients. Among other things, in conjunction with this, it is possible how many recipients actually opened the newsletter e-mail and how often which link inside the newsletter has been clicked. With the assistance of a tool called Conversion Tracking, we can also determine whether an action that has been predefined in the newsletter actually occurred after the link was clicked (e.g., purchase of a product on this website). For more information on the data analysis services by CleverReach newsletters, please go to: <https://www.cleverreach.com/en/features/reporting-tracking/>.

The data is processed based on your consent (Art. 6(1)(a) GDPR). You may revoke any consent you have given at any time by unsubscribing from the newsletter. This shall be without prejudice to the lawfulness of any data processing transactions that have taken place prior to your revocation.

If you do not want to permit an analysis by CleverReach, you must unsubscribe from the newsletter. We provide a link for you to do

this in every newsletter message.

The data deposited with us for the purpose of subscribing to the newsletter will be stored by us until you unsubscribe from the newsletter or the newsletter service provider and deleted from the newsletter distribution list after you unsubscribe from the newsletter. Data stored for other purposes with us remain unaffected.

After you unsubscribe from the newsletter distribution list, your e-mail address may be stored by us or the newsletter service provider in a blacklist, if such action is necessary to prevent future mailings. The data from the blacklist is used only for this purpose and not merged with other data. This serves both your interest and our interest in complying with the legal requirements when sending newsletters (legitimate interest within the meaning of Art. 6(1)(f) GDPR). The storage in the blacklist is indefinite. You may object to the storage if your interests outweigh our legitimate interest.

For more details, please consult the Data Protection Provisions of CleverReach at: <https://www.cleverreach.com/en/privacy-policy/>.

We use online conference tools, among other things, for communication with our customers. The tools we use are listed in detail below. If you communicate with us by video or audio conference using the Internet, your personal data will be collected and processed by the provider of the respective conference tool and by us.

Furthermore, the conference tools process the duration of the conference, start and end (time) of participation in the conference, number of participants and other “context information” related to the communication process (metadata).

This includes, in particular, IP addresses, MAC addresses, device IDs, device type, operating system type and version, client version, camera type, microphone or loudspeaker and the type of connection.

Such content includes, but is not limited to, cloud recordings, chat/ instant messages, voicemail uploaded photos and videos, files, whiteboards, and other information shared while using the service.

Please note that we do not have complete influence on the data processing procedures of the tools used. Our possibilities are largely determined by the corporate policy of the respective provider. Further information on data processing by the conference tools can be found in the data protection declarations of the tools used, and which we have listed below this text.

Purpose and legal bases

The conference tools are used to communicate with prospective or existing contractual partners or to offer certain services to our customers (Art. 6(1)(b) GDPR). Furthermore, the use of the tools serves to generally simplify and accelerate communication with us or our company (legitimate interest in the meaning of Art. 6(1)(f) GDPR). Insofar as consent has been requested, the tools in question will be used on the basis of this consent; the consent may be revoked at any time with effect from that date.

9. Custom Services

Handling applicant data

We offer website visitors the opportunity to submit job applications to us (e.g., via e-mail, via postal services or by submitting the on-line job application form). Below, we will brief you on the scope, purpose and use of the personal data collected from you in conjunction with the application process. We assure you that the collection, processing, and use of your data will occur in compliance with the applicable data privacy rights and all other statutory provisions and that your data will always be treated as strictly confidential.

Scope and purpose of the collection of data

If you submit a job application to us, we will process any affiliated personal data (e.g., contact and communications data, application documents, notes taken during job interviews, etc.), if they are required to make a decision concerning the establishment or an employment relationship. The legal grounds for the aforementioned are § 26 GDPR according to German Law (Negotiation of an Employment Relationship), Art. 6(1)(b) GDPR (General Contract Negotiations) and – provided you have given us your consent – Art. 6(1)(a) GDPR. You may revoke any consent given at any time. Within our company, your personal data will only be shared with individuals who are involved in the processing of your job application. If your job application should result in your recruitment, the data you have submitted will be archived on the grounds of § 26 GDPR and Art. 6(1)(b) GDPR for the purpose of implementing the employment relationship in our data processing system.

Data Archiving Period

If we are unable to make you a job offer or you reject a job offer or withdraw your application, we reserve the right to retain the data you have submitted on the basis of our legitimate interests (Art. 6(1)(f) GDPR) for up to 6 months from the end of the application procedure (rejection or withdrawal of the application). Afterwards the data will be deleted, and the physical application documents will be destroyed. The storage serves in particular as evidence in the event of a legal dispute. If it is evident that the data will be required after the expiry of the 6-month period (e.g., due to an impending or pending legal dispute), deletion will only take place when the purpose for further storage no longer applies.

Longer storage may also take place if you have given your agreement (Article 6(1)(a) GDPR) or if statutory data retention requirements preclude the deletion.

Admission to the applicant pool

If we do not make you a job offer, you may be able to join our applicant pool. In case of admission, all documents and information from the application will be transferred to the applicant pool in order to contact you in case of suitable vacancies.

Admission to the applicant pool is based exclusively on your express agreement (Art. 6(1)(a) GDPR). The submission agreement is voluntary and has no relation to the ongoing application procedure. **The affected person can revoke his agreement at any time.** In this case, the data from the applicant pool will be irrevocably deleted, provided there are no legal reasons for storage.

The data from the applicant pool will be irrevocably deleted no later than two years after consent has been granted.
